

Building a chatbot and Integrating to the app

Date

19 NOVEMBER 2022

Team ID

PNT2022TMID36949₄

Project Name

Skills/Job Recommender Application

The screenshot shows the IBM Cloud Watson Assistant catalog page. The main heading is "Watson Assistant" with a subtext "Watson Assistant lets you build conversational interfaces into any application, device, or channel." Below this, there are tabs for "Create" and "About". The "Create" tab is active, showing a "Select a location" dropdown menu with "Sydney (au-syd)" selected. Below this is a "Select a pricing plan" section with a table of plans. The table has columns for Plan, Features, and Pricing. The "Lite" plan is highlighted, showing "Everything you need to get started, free for as long as you need it" and "Up to 1,000 unique monthly active users (MAUs) chatting with your assistant." The pricing is listed as "Free". On the right side, there is a "Summary" panel showing "Watson Assistant" as a "Free" service, with location "Sydney", plan "Lite", service name "Watson Assistant-pl", and resource group "Default". There is a checkbox for "I have read and agree to the following license agreements:" and a "Create" button.

Plan	Features	Pricing
Lite	Everything you need to get started, free for as long as you need it Up to 1,000 unique monthly active users (MAUs) chatting with your assistant.	Free

The screenshot shows the "Welcome to the new Watson Assistant" page. It includes a "Learning center" sidebar on the right with links like "Add users", "Manage users", "Usage and billing", "Privacy", "About", and "What's new". The main content area has a "Welcome to the new Watson Assistant" heading and a "you basic customizations, and give you a preview of what your assistant will look like." section. Below this, there are input fields for "Assistant name" (with "job-bot" entered), "Description (optional)" (with "0/128" characters), and "Assistant language" (with "English (US)" selected). There is also a "Switch" button for the instance name "Watson Assistant-pl".

Tell us where your assistant will live
We will create your first channel integration for you, which will be visible on your dashboard. You can always add more or change later.

Where do you plan on deploying your assistant?

Web

Tell us about yourself
This information will be used to personalize your onboarding experience.

Which industry do you work in?

N/A (I am a student)

What is your role on the team building the assistant?

Lead strategist

Which statement describes your needs best?

Watson Assistant

Do you have the Speed Demons in stock?

The Speed Demons are in stock at our Downtown and Northgate locations, which are both within five miles of you.

What size and color do you need?

I'm looking for a size nine in white

Great news! The Speed Demons are available in white in a size 9.

You can purchase them for curbside pick up or we can ship them to you. Which would you prefer?
